4th International Conference on Chemical, Bio & Environmental Engineering (CHEMBIOEN-2027)

(Hybrid Mode)

Patron

Prof. Binod Kumar Kanaujia, Director, NIT Jalandhar

Co-Patron(s)

Prof. Rohit Mehra, Dean R&C, NIT Jalandhar

Prof. Anish Kumar Sachdeva, Registrar, NIT Jalandhar

Chairperson

Dr. Jatinder Kumar Ratan

Organizing Secretary(s)

Dr. Nitin Naresh Pandhare

Dr. Anjireddy Bhavanam

Dr. Deepak Sahu

Organized by

Department of Chemical Engineering

Dr B R Ambedkar National Institute of Technology Jalandhar-144008

Punjab

About NIT Jalandhar

Dr B R Ambedkar National Institute of Technology Jalandhar is amongst the 20 NITs established by Ministry of HRD, Government of India. The institute came into existence in the year 1988 (earlier Regional Engineering College Jalandhar) and obtained the status "Institute of National Importance" by Act of Parliament 2007. The institute is offering B Tech program in various disciplines like Computer Science and Engineering, Electronics and Communication Engineering, Instrumentation and Control Engineering, Mechanical Engineering, Civil Engineering, Textile Technology, Biotechnology, Chemical Engineering, and Industrial & Production Engineering. In addition to B Tech programs, the institute offers M Sc. programs in Physics, Chemistry and Mathematics, M Tech programs in all Engineering departments, and PhD programs.

Location

The institute is located on G.T Road Amritsar by-pass at a distance of 15 km from Jalandhar Bus Stand, 12 km from Jalandhar City Railway Station, and 18 km from Jalandhar Cantt. Railway Station. It is connected to New Delhi by Road through AC bus service and Rail through Shatabadi/Superfast trains. The city is surrounded by famous rivers Sutlej and Beas. Jalandhar is internationally famous for sports goods industry and hand tools industry.

Vision

To build a rich intellectual potential embedded with interdisciplinary knowledge, human values and professional ethics among the youth, aspirant of becoming scientists, engineers and technologists so that they contribute to society and create a niche for a successful career.

Mission

To become a leading and a unique institution of higher learning, offering state-of-the art education, research and training in science, engineering and technology to students who are able and eager to become change agents for the industrial and economic progress of the nation.

Objectives of Conference

This program aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results about all aspects of Chemical, Bio and Environmental Engineering. It also provides the premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered and the solutions adopted in the field of Chemical and Environmental Engineering. The topics for CHEMBIOEN 2027 includes (but not limited to)

- Sustainable Process Design, Green Chemistry and Clean Technologies
- Bioprocess Engineering, Industrial Biotechnology and Biorefineries
- Biomass, Bioenergy and Waste-to-Value Technologies
- Advanced Materials, Catalysis and Reaction Engineering
- Water and Wastewater Treatment and Resource Recovery
- Air Pollution Control, Environmental Monitoring and Remediation
- Carbon Capture, Climate Change Mitigation and Circular Economy
- AI, Digitalization and Process Intensification for Sustainable Engineering

About the Department

The Department of Chemical Engineering, Dr. B R Ambedkar NIT Jalandhar has been offering Under-graduate Program (B.Tech in Chemical Engineering) since 1990, Post- graduate Program in Chemical Engineering and PhD programmes. Department has been playing a vital role in the development of Chemical Engineering education and research. Its Alumni are occupying eminent positions in chemical industries, research and academic institutions in India and abroad. The Department also successfully conducted the Students Chemical Engineering Congress (SCHEMCON) in 2008, and Chemical Engineering Congress (CHEMCON) in 2012, 2018 and 2024. The Department has established various research laboratories.

Abstract Submission & Registration

Academicians, researchers and practicing professionals are invited to submit abstracts on the following areas and related topics: Biofuels and Biomaterials. Upon the acceptance of abstracts, the authors should submit full papers, which will be peer reviewed and select papers, shall be published in Scopus/SCI indexed journals/proceedings.

Category	Registration fee	
	Indian Participants (₹)	Foreign Participants ($)
Students (UG/PG)	500	50
Ph.D./ RA/ Post Doc	1500	100
Faculty	3500	150
Industry Personals	5000	200

Local Organizing Committee

Dr MK Jha
Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Ajay Bansal
Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Shailendra Bajpai
Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Sangeeta Garg
Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Renu Gupta
Professor, Department of Chemical Engineering, NIT Jalandhar
Dr N K Srivastava
Associate Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Poonam Gera
Associate Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Raj Kumar Arya
Associate Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Neetu Divya
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Amit Dhruv Saran
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Anurag K Tiwari
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Shashikant Yadav
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
Dr D Giri Babu
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
Dr Umasankar Erigi
Assistant Professor, Department of Chemical Engineering, NIT Jalandhar
