VISHNU UNIVERSAL LEARNING

AUTONOMOUS BVRIT.
B V Raju Institute of Technology

3RD INTERNATIONAL CONFERENCE ON CHEMICAL, BIO & ENVIRONMENTAL ENGINEERING

CHEMBIOEN-2022

4 –5 , NOVEMBER 2022
(HYBRID MODE)

IN COLLABORATION WITH THE
DEPARTMENT OF CHEMICAL ENGINEERING NIT JALANDHAR

ORGANIZED BY

DEPARTMENT OF CHEMICAL ENGINEERING,
B V RAJU INSTITUTE OF TECHNOLOGY,
UGC-AUTONOMOUS, NARSAPUR, MEDAK,
TELANGANA STATE, INDIA – 502313

About the host institute B V Raju Institute of Technology (BVRITN):

B V Raju Institute of Technology Narsapur (BVRITN) is a prestigious organization in Telangana state that operates under Sri Vishnu Educational Society (SVES), which was founded by philanthropist Dr. B.V. Raju garu and is now led by Sri K.V. Vishnu Raju. BVRITN is an Autonomous (UGC) institution affiliated to JNTU Hyderabad. The college is accredited by both NBA and NAAC, New Delhi.

ABOUT THE DEPARTMENT:

Chemical Engineering Department is one of the well-established segments of the Institute with strong and well-knit faculty and excellent facilities. The Department of Chemical Engineering is Telangana's only private autonomous institute that offers U.G., P.G.,and Ph.D. programs. Since 2009, the department has been accredited thrice by the NBA under Tier-II, and it was recently re-accredited under Tier-I in 2022. The department has well-qualified faculty from various IITs and NITs, as well as cutting -edge teaching facilities and laboratories where students can receive research training to help them achieve their goals.

Conference Objective:

The conference aims to bring together leading academic scientists, researchers, scholars and industrialists to exchange and share their experiences and knowledge. It also provides the premier interdisciplinary forum for researchers, practitioners, and educators to present and discuss the most recent innovations, trends, concerns, practical challenges encountered, and the solutions adopted in the field of Chemical and Environmental Engineering. LIST OF TOPICS:

- Advance Oxidation Processes
- Fuel and Energy
- Bio-chemical Engineering
- Heat and Mass Transfer
- Chemical Reaction Engineering
- Material Science & Engineering
- Computational Fluid Dynamics
- Modeling and Simulation
- Downstream Processing
- Nanotechnology
- Environment Impact Assessment
- Process Control
- Environment Management
- Pollution Monitoring
- Fluidization
- New and Renewable Energy
- Fluid Flow
- Polymers and Composites
- Separation Processes
- Green Technologies
- Solar Cells
- Water and Air Treatment
- Environmental Engineering
- Nanobiotechnology
- Biochemistry
- Pharmaceutical Biotechnology
- Genetic & Protein Engineering
- Artificial Intelligence

Not limited to .....

Full manuscripts are required to be submitted to CHEMBIOEN-2022. All the accepted and registered manuscripts shall be encouraged for publication in a special issue of the following Journals:

Environmental Technology & Innovation (Elsevier, Web of Science /Scopus, IF= 7.758)

(Special Issue on "Sustainable Development in Chemical, Bio & Environmental Engineering ")

Biomass Conversion and Biorefinery (Springer, SCI/Scopus, IF= 4.05)

(Special Issue)
Journal of Chemical Technology and Metallurgy (Scopus)(Special Issue)

Springer proceedings

The acceptance and registration of any manuscript to CHEMBIOEN-2022 is not at all the guarantee of acceptance for the Journal. The final decision regarding acceptance or rejection of a manuscript shall be taken by the Scientific Conference Committee , Journal Editorial Board and Article processing charges (if any). www.chembioen.in

Registration:

CATEGORY-1

Before October 15, 2022

Indian Delegates (Faculty, Scientists, Research Scholars, Students)	Rs. 2000
Foreign Delegates	USD 50

After October 15, 2022

Indian Delegates (Faculty, Scientists, Research Scholars, Students)	Rs. 3000
Foreign Delegates	USD 75

CATEGORY-2

Before October 25, 2022

Indian Delegates (Faculty, Scientists, Research Scholars, Students)	Rs. 1000
Foreign Delegates	USD 30
